

Having issues registering for Select soccer?

For those that are not getting emails:

1. Please make sure you don't unsubscribe to our emails from our website, yes we do send a few but it is very important for you to receive them
2. Make sure the email that is in our system on the Household Admin line is the main email you use.
3. Make sure you are looking in the spam and junk folders of your email, also with Gmail if you are using their new inbox system our emails might come under Promotions or Updates

Do not use a mobile phone to do registrations, the website is not made for mobile responsiveness...hopefully in the future but some of the registration items just take too much room on a small screen.

Please make sure your browser is up to date, also Chrome and Firefox work better than Internet Explorer or Edge.

If you don't remember your password simply use the Forgot Password link on the login or register page.

If all else fails then please email Corky Webster at webmaster@novasc.org, please note that sometimes a response can take some time. Please note that if you are having problems the 24 hour rule will be waived so don't worry about that.

Also our NVSC Office is open Tuesday, Wednesday and Thursday 3pm to 7pm, it might be easier for some to come to the office to register.
