### 3. CONDUCT/DISCIPLINARY ACTIONS

Any player or coach who is sent-off from any tournament game is prohibited from participating in the next immediately following tournament game played by their team. A player or coach may receive more than a one-game suspension depending on the severity of the offense.

#### RED CARDS

Any player or coach who receives a red card will be sent-off from that game, must leave the field immediately, and will not be eligible to participate in the team's next game.

#### YELLOW CARDS

Any player or coach who receives one yellow card will be cautioned of the offense and allowed to continue to play.

A second yellow card issued to a player or coach during any one game will count as a red card and the player or coach will be sent-off from the current game and be suspended from the team's next game.

For both teams, players and coaches will take one side of the pitch. Supporters and spectators will take the other side of the pitch. The designated Site Coordinator will indicate to the referee and to the teams which sides will be designated for players/coaches and which is for spectators. Any modification or change to this requirement will be the determination of the Tournament Director.

No coaches, players, or spectators are authorized within 18 yards of the end of the field and no one is permitted behind the end line. All spectators must remain behind the spectator's lines.

It is the responsibility of the team's coach or the person acting in the coach's behalf to control the conduct of the parents and other spectators. Failure to do so may result in a warning by the referee to the coach or the person acting in the coach's behalf.

**INAPPROPRIATE OR UNSPORTSMANLIKE CONDUCT WILL NOT BE TOLERATED AND MAY RESULT IN THE EJECTION OF THE COACH AND/OR SPECTATORS.** If a coach or spectator is ejected from a game, it will be treated as a red card offense and that coach must leave the field area a minimum of 200 yards for the remainder of that game and may not be present at the following scheduled game.

If the ejected coach is coaching more than one team, that coach will be barred from all tournament sites until the team he/she was coaching, at the time of the ejection, has completed its next scheduled game. Spectators causing the coach to be ejected will be subject to the same penalties as the coach. If a coach has been ejected and there is no assistant coach, team manager or other team official, as listed on the roster to represent the team, the game will be ruled a forfeit and will stop at that time. All ejections will be reported in writing to the team's Club, League, and State Association.

NOISE MAKING DEVICES ARE NOT PERMITTED.

ALCOHOLIC BEVERAGES, ILLEGAL DRUGS, AND WEAPONS ARE NOT PERMITTED AT ANY TOURNAMENT SITE. ANY PLAYER, COACH, OR SPECTATOR FOUND IN POSSESSION OF ALCOHOL, ILLEGAL DRUGS, OR WEAPONS WILL BE BANNED FROM THE TOURNAMENT AND APPROPRIATE NOTIFICATIONS WILL BE MADE TO LAW ENFORCEMENT AUTHORITIES. SMOKING AND USE OF TOBACCO PRODUCTS IS PROHIBITED FROM THE GAME FIELD INCLUDING THE SIDELINES AND SPECTATOR AREAS.

HARASSMENT OF REFEREES AND/OR ASSISTANT REFEREES OR ANY VIOLENT OR ABUSIVE BEHAVIOR, OR FOUL LANGUAGE DIRECTED AT ANYONE WILL NOT BE TOLERATED. PERSONS ENGAGING IN SUCH BEHAVIOR ARE LIABLE TO BE BANNED FROM THE TOURNAMENT AND ALL TOURNAMENT SITES BY TOURNAMENT OFFICIALS. TEAMS JUDGED GUILTY OF BEHAVIOR DETRIMENTAL TO THE TOURNAMENT WILL BE BARRED FROM PARTICIPATION IN THE FOLLOWING YEAR. A WRITTEN REPORT WILL BE FILED WITH THE VIRGINIA STATE ASSOCIATION AS WELL AS THE TEAM'S STATE ASSOCIATION, CLUB, AND LEAGUE.

The Tournament Director is the final arbiter of all disputes, arguments, and misunderstandings. The Tournament Director interpretations and decisions are in all cases final.

#### 4. RULES OF PLAY

Except as modified herein, the FIFA "Laws of the Game" will apply to all games. All teams will play 11v11, except U-8 (4v4), U-9 / U-10 teams (7v7) and U-11 and U12 (9v9).

**U8 Games:** No one player may stay and guard the goal. All players must move throughout the field during the game.

**U8 Goal Kick Rule:** When a goal kick is taken, the opposing team must be on their own half of the field. When the goal kick is kicked and received the opposing team may attack. If the ball is kicked across the center line, it is anyone's ball.

**U9-10 Player Development Initiative Modifications - Build-Out Lines.** The Build-Out Line is a line extending from touchline to touchline halfway between the penalty area and the center line. When the defending goalkeeper has the ball in hand or the defending team has been awarded a goal kick, the attacking team shall retreat behind the Build-Out Line until the ball is put back in play. Where a physical line is not present, the referee may mark the line with appropriate soft cones, pennies, or other markings placed off the field. The defending team is not required to wait until the attacking team retreats behind the Build-Out Line; indeed, some clubs will instruct their teams not to wait, choosing instead to force their players to play out of pressure. An attacking

player shall not be deemed to be in an offside position if such player has not crossed the Build-Out Line at the time the ball is played.

No Punting/Dropkicks - If the goalkeeper punts or drop kicks the ball, an indirect free kick will be awarded to the opposing team from the spot of the offense; if the punt or drop kick occurs within the goal area, the indirect free kick will be taken on the goal area line parallel to the goal line at the nearest point to where the offense occurred.

At age group divisions U12 and younger – Whenever the ball strikes a player in the head, play is stopped. The proper restart depends upon whether the player deliberately played the ball with his or her head. If deliberate, the proper restart is an indirect free kick to the opposing team. If this occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the point nearest to where the infringement occurred. If the play by the head is deemed inadvertent, then the proper restart is a dropped ball.

## 5. FIELD AND GAME EQUIPMENT

Soccer shoes with metal cleats are prohibited. Shoes with toe cleats typically found on baseball style cleats though not all baseball cleats have the toe cleat are not allowed to be worn.

U13 - U19 Players must have a uniform jersey with a distinct number on the back matching their number on the team's official state roster.

When uniform colors are similar, the home team will change colors. The team listed first on the game schedule is the home team.

All players must wear shin guards completely covered by uniform socks in accordance with FIFA laws.

If not provided by the tournament, the designated home team must provide a game ball. Balls may be supplied by the tournament, at the discretion of the tournament committee. If the tournament game ball is lost, the designated home team is responsible for supplying a comparable game ball to the referee.

## 6. SUBSTITUTIONS

Substitutions will be unlimited and may be made, with the consent of the referee, at the following times:

- Prior to throw-in, by the team in possession or the opposing team if the team in possession is substituting

- Prior to a goal kick, by either team
- After a goal by either team
- In the event of an injury, when the referee stops play (one-for-one for the injured player(s))
- At half time or the beginning of an overtime period
- Under no circumstances may substitutions be made (1) on corner kicks or (2) after the game has ended in a tie and FIFA penalty kicks will be required to determine a winner.

## 7. DIVISIONS AND DIVISION STRUCTURE

Divisions: Every attempt will be made to make multiple divisions for all age groups.

Divisions may be deleted, combined or added at the Tournament Committee's discretion. Division placement will determine the level of the team pool and will NOT be grounds for discussion or protest.

Goalie can pass, throw or roll the ball to a teammate (punting and drop kicks are not allowed). The opposing team must also move behind the build out line during a goal kick until the ball is put into play.

Combining age groups may be necessary at the Tournament Committee's discretion.

All games will be played with a running clock. The referee may stop the clock for serious injuries or other incidents. The referee is the official timekeeper and therefore all decisions regarding game duration are solely at the referee's discretion and shall not be protested.

All preliminary games will be played and decided in regulation time. No overtime periods or penalty kicks will be used to break a tie in preliminary round games. Half time shall be 5 minutes for all preliminary games.

Semi Finals and Finals ending in ties will be decided with penalty kicks in accordance with FIFA laws.

Where necessary to maintain the schedule, the NVSC appointed site coordinator can adjust the length of game periods equally.

#### 8. POINT SYSTEM

Points will be awarded as follows: three (3) points for a win; one (1) point for a tie and no (0) points for a loss.

Tie-breaker points will be awarded in the event of a tie within the bracket after preliminary round with a maximum of five (5) points per game. Tie-breaker points only come into play if there are multiple teams with the same record.

In the event of a tie within a bracket after preliminary rounds, the following tie-breaker system shall be used to determine group winners and group runner-up (if applicable):

1. Winner of Head-to-Head Competition
2. Goal differential. In each preliminary game, tie-breaker points will be awarded for goal differential (difference between goals for and goals against) to a maximum of five (5) goal differential points per game. (Example: Score is 5-2. The winning team would receive 3 points and the losing team would receive -3 points.)
3. Least Goals Allowed, Max 5
4. Most goals scored, Max 5
5. Most Shut Out Wins
6. Fewest Yellow and Red Card penalty points

## 7. FIFA Penalty Kicks

In the event of a three-way tie the tie-breaker sequences begin with "Goal Differential", and proceeds in order down through the steps until the tie is broken, and the winner is determined; once the winner is determined the runner-up is determined by continuing through the steps. No steps are to be repeated or skipped.

If FIFA penalty kicks are required in a 3-way tie, there will be a draw by the Site Coordinator. The first team drawn will receive a bye; the next team drawn will be the home team against the remaining team in the first contest. The winner of the first contest will then compete against the bye team to determine the group winner. In this contest the bye team will be the home team.

### Resolving ties in U8 Division (no goalkeeper)

A match ending in a tie which must produce a winner to advance to a consolation match is determined through alternating center line kicks at the goal. The 4 players from each team on the field at the end of regulation time take alternating kicks from the center line to the goal (single shot only, no dribbling). If the match is still tied after all 8 players kick, 4 new players (or all players on the bench, if less than 4) from each team will take alternating kicks with the result being determined in sudden death (first team to miss loses). A coin toss will determine which team kicks first.

## 9. FAILURE TO SHOW AND FORFEITS

A team shall be allowed a ten (10) minute grace period after the scheduled kick-off time before the match is considered a forfeit. A minimum of three (3) players at U8, minimum of six (6) players at U9/10, minimum of seven (7) players for U11 - U19 constitutes a team and if said number of players are present; the game will not be delayed.

A forfeit in the preliminary rounds shall be awarded as three (3) points for the win. The score of a forfeited game will be 3-0 (four bonus points).

Forfeits of a semi-final or championship game shall be recorded as 1-0.

Any team forfeiting a championship game will not be entitled to individual trophies or team awards.

Failure to produce either duly authorized Player Registration Cards or an Official Fall Classic Recreational Tournament Approved Team Roster to the appropriate Site Coordinator or Tournament Official thirty (30) minutes prior to scheduled game time is grounds for a forfeit. Playing a suspended player (a player receiving either a red card, two yellow cards in one game or three yellow cards in the tournament) in the game following the receipt of a red card is grounds for a forfeit.

Results for suspended games due to disciplinary reasons will be at the discretion of the Tournament Director.

#### 10. GAME AND SCORE REPORTING

The Site Coordinator will ensure that the official tournament game cards are properly completed, signatures obtained, and the scores recorded at the end of each game by each team representative. Each team manager/or team representative must complete the game card at the conclusion of each game and, before leaving the field area, provide complete information on that team's players receiving yellow/red cards during the game including the player's full name and number.

It is the responsibility of each team manager/or team representative to deliver the completed and signed game card to the appropriate Site Coordinator/ Site Tent promptly at the conclusion of each game.
